

Cwmfelin News

Here is what our classes have been up to during the Spring Term so far.

<u>Nursery/ Meithrin</u> Nursery have had a very exciting term so far with the inquiry of 'Not too hot, not too cold.' They have been feeling different things and deciding if they are too hot, or too cold. They have also been looking at different textures and feeling whether they are hard or soft and they have linked them to the story of Goldilocks and the Three Bears. Pupils have really enjoyed this term so far with loads of fun and interesting things to come.	<u>Reception/ Derbyn</u> Reception are also working on their new inquiry which is 'Not too hot, not too cold, and just right.' Pupils have been doing some really fun and interesting activities, such as learning the story of Goldilocks and the Three Bears. Children have also enjoyed making bear hats and wearing them on the field. We could see how much fun the children have had so far and we can't wait to hear what else they will learn about.	<u>Class 1/ Dosbarth Un</u> Class 1 has had a really interesting start to the term with their inquiry 'I huff and I puff.' Pupils have been exploring by building houses with foam blocks inside and outside of the classroom. In Maths, they have played Hit The Button and are developing their mental maths skills. Pupils have a writing area in the class and have been working on writing letters. They have created a role play area based on the story The Three Little Pigs. As part of their inquiry different forces such as pull and push have been explored.
<u>Class 2/ Dosbarth Dau</u> Class 2 has started their new inquiry which is called 'Wicked Weather.' They have started to complete a science experiment by sorting different weathers, and looking at photos and trying to find similarities and differences. Pupils have been playing and role playing in their weather station and acting like weather reporters. This sounds like so much fun and we look forward to seeing them on the news in a few years!	<u>Class 3/ Dosbarth Tri</u> Class 3 have had an excellent start to this term with the inquiry of "Digging up the Past" everyone has enjoyed learning all about the miners and a lot about the past. Pupils have had loads of fun while doing an exciting role play. That sounds super fun! And also they have a trip coming up very soon about how hard miners worked which everyone is really looking forward to. In maths they are enjoying column addition! Keep up the hard work!	<u>Class 4/ Dosbarth Pedwar</u> Class 4 have just started with their super fun inquiry of 'Space Invaders'. Pupils have been learning lots about space and all nine planets. Children have also enjoyed having their student teacher Miss Jones as she is leaving soon. Class 4 are sad to see her leave but excited for her to move on to her next chapter as a teacher. We are sure she will be fabulous. All pupils have absolutely loved this amazing inquiry so far with exciting adventures to come.
<u>Class 5/ Dosbarth Pump</u> Class 5 are having fantastic fun to the Spring term with an inquiry all about "Speed of Sound". Pupils took part in a fun and exciting day about learning samba music and then performing a show for Key Stage 2 pupils. In science they have been looking at an exciting experiment to see how loud the classroom is. Class 5 have had a visitor "Betty Campbell" who taught the children about racism and how she never gave up. Pupils are loving this inquiry so far!	<u>Class 6/ Dosbarth Chwech</u> Class 6 have really enjoyed this term so far with the inquiry of 'Farm to Fork'. They have enjoyed learning about how foods are made, what journey they take to get to the UK, how they are packaged and end up on are forks. This week pupils will be having a cooking session with Jen from cooking together Wales. Pupils are upset that Miss Claridge will be leaving Cwmfelin this week, but pupils are excited to see what her next chapter will be. Good luck.	<u>In other News....</u> Head team have had some meetings and have had loads of amazing ideas and fun ways to make the school to the best of its ability. Eco committee are striving towards the platinum award by planting more plants and nature. And all the other committees are getting back on track with their roles, which is brilliant. On Saturday there was a Cross Country event that Cwmfelin attended. Well done to the 3 that took part! Our community garden had a lovely Christmas theme but now that Christmas is over it is slowly changing in to a beautiful flowery garden, good to know the BBB is going well.
