

Our school is working to achieve the Cymraeg Campus Language Charter

We have ten targets to achieve for each award.

We are trying to increase the use of Welsh by pupils, staff and the wider school community.

We have three awards—bronze, silver and gold.

Our school has an active Criw Cymraeg—a group of pupils who promote Welsh.

Our Criw Cymraeg will lead the Charter.

*'Mae siarad Cymraeg yn
bril,
Mae siarad dwy iaith
yn sgil'*

*The aim of the Language
Charter is to inspire our children
and young people to use their
Welsh in all aspects of their
lives.*

ECONOMIC ADVANTAGES

Bilingual people in Wales earn more on average in comparison with people who speak one language.

EDUCATIONAL BENEFITS

Academic research has confirmed that bilingual children can think more creatively and flexibly and tend to score higher in IQ tests than those who speak one language.

It's Fun

Welsh is a valuable asset in the workplace.

Over two thirds of the population speak 2 or more languages.

Bilingual pupils do better in other subjects at school.

On average, bilingual children achieve higher English test results. Than pupils who speak one language.
