Friday 18th September 2026

Dear parent/carer,

We have vacancies for a parent governor to join our Governing Body here at Cwmfelin Primary School. Our Governors play a key role in leading and supporting the school and are committed individuals who are involved in all aspects of school life.

There are no particular qualifications needed to become a school governor as you will benefit from free training, but you will need to have:

- An interest in our children's future
- The desire to make a difference
- Time and energy
- A readiness to accept responsibility
- The commitment to work in a team
- The enthusiasm to ask questions, listen and learn
- The motivation to help shape the future of education within Bridgend County Borough.

Once appointed, a school governor's term of office lasts for four years. You would be expected to attend three governing body meetings per school year, one in each term, and committee meetings, where relevant.

Expressions of interest should be made to the school by completing the parent governor application available here https://tinyurl.com/5n93w4ae and emailing it to admin@cwmfelinps.bridgend.cymru by Friday 9th October. Please note that if several parents are interested, then an election will be held.

Should you require further information about the role of the parent governor, please contact our Chair of Governors, Mrs Nicole Ronan-Thomas at CllrNRonanThomas@llangynwydmiddlecommunitycouncil.org.uk

Yours sincerely

Mrs J Edwards
Headteacher
