Curriculum

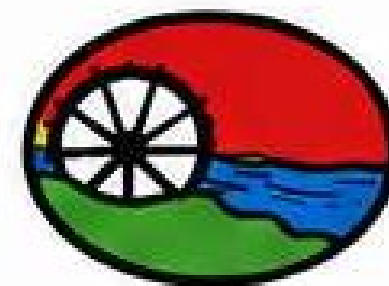

Cwmfelin Primary School's medium term inquiry overviews for the year are available to view on our website.

We teach through an inquiry-based learning approach which encourages children to be curious, ask questions, investigate ideas, and discover answers through hands-on learning. Rather than simply being told information, pupils actively explore topics, solve problems, and develop important skills such as critical thinking, creativity, communication, and independence.

This approach helps children become motivated, confident learners who take ownership of their learning.

Inquiries

Our inquiry this half term is 'Tales of Wales'.

Please see our class page on the school website for our inquiry overview and other important information e.g. Welsh phrases etc.

What does my child need to bring to school?

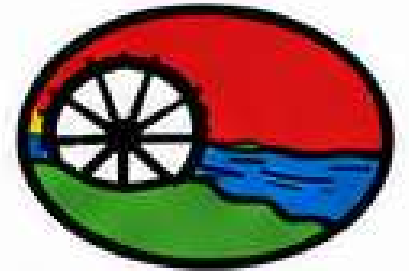

1. A labelled water bottle
2. A healthy snack
3. A packed lunch (if needed)
4. My reading book (every Thursday)
5. PE Kit (every Friday)

Please ensure all belongings are clearly labelled

Please take a look at our Food and Fitness policy to familiarise yourself with our school expectations.

Children **must** bring a plastic bottle to school to access fresh water throughout the day. Squash, flavoured water or other drinks are not permitted.

Please provide a healthy snack (fruit or vegetables) which the children will be encouraged to eat mid morning.
